

# REGARDING FALL DINING HOURS:

During this difficult COVID environment, it has become necessary to reduce the number of retail food service venues that are open on campus.

As of **Friday, August 28th**, the following campus locations will be open for service: Chick-Fil-A, The Pub, Papa John's, The Market at DHW, Dining Hall West (serving breakfast, lunch and dinner), and Taco Bell Cantina (opening in September).

Boost mobile ordering and Starship deliveries will continue to be available at participating locations. In addition, Starbucks, 7-Eleven and the American Tap Room are open at Northside.

We understand that these reductions might cause some inconveniences to our community, but at this time, these changes are unavoidable.

Thanks for your understanding.
